**MARQUEES
MANUFACTURER**

Party tent

Dimensions:

- Width: 10' to 20' (3 to 6 m).
- Length: 10' to 50' (3 to 15 m) - (manufacturing on measure possible).
- Bay size: 10' or 13' (3 or 4 m) - between the main profiles.

Dimensions in feet :

Width [ft]	10	13	16	20
Ridge height [ft]	8,5	9	9,5	10
Facing sides height [ft]	7	7	7	7

Dimensions in meters:

Width [m]	3	4	5	6
Ridge height [m]	2,61	2,78	2,95	3,11
Facing sides height [m]	2,12	2,12	2,12	2,12

Composition:

- Galvanized steel frame.
- 23 oz (650gr/sqm) canvas.
- Fireproofing according to European Standards (BS EN 13782, NF P 92-503 – 507 M2 and DIN 4102 B1).
- One mast in the middle of each gable (increase the rigidity).
- Ground bars around.
- One small stake at each foot and large stake at each corner to anchor the whole.
- Very sturdy transport bags.

Roof:

- Attached on the sides by elastics (the roof canvas is manufactured in one piece to avoid tight problems).
- Reinforcements under all top bars and at the corners.
- 1 rope at each foot to attach.

Facing sides:

- Detachable facing sides independent of each other (with straps to fix the facing sides to the ground bars).
- 4 facing sides always attached on each other to prevent tight problems. (for example : tent 20' x 30' (6x9 m) : 2 facing sides of 30' (9 m) and 2 facing sides of 20' (6 m))
- Possibility to split a facing side in two parts with a zipper.

Colours:

- One colour: light blue, dark blue, light green, dark green, red, orange, white, brown, yellow, grey, black, cream, champagne.
- Possibility to get striped facing sides

Number of seated people:

- 20' x 20' (6x6 m) = +/- 40 people.
- 30' x 20' (9x6 m) = +/- 60 people.
- 40' x 20' (12x6 m) = +/- 80 people.
- 50' x 20' (15x6 m) = +/- 100 people.
